The Honorable Fred Keller
Fred Keller for Congress
23 North Derr Drive, Suite 2
Lewisburg, Pennsylvania 17837

Dear Delegate Keller:

National Right to Life is pleased to endorse you for election in the May 21, 2019 special election to the U.S. House of Representatives, to represent the 12th congressional district of Pennsylvania.

You are a strong advocate for life. You support pro-life legislation, including the *Pain-Capable Unborn Child Protection Act*, which would protect unborn children by prohibiting abortion at 20 weeks, a point by which the unborn child is capable of experiencing great pain when being killed by dismemberment or other late abortion methods.

You oppose the use of federal funds for abortion, and you oppose giving hundreds of millions of dollars of government funds to abortion providers.

In contrast, your opponent, Marc Friedenberg, supports a policy of abortion on demand. He supports using tax dollars to pay for abortion.

This endorsement reflects your commitment to strengthening a culture of life throughout the nation and in the U.S. Congress. We look forward to working with you to protect the most vulnerable members of the human family – unborn children and medically dependent or disabled persons, whose lives are threatened by abortion or euthanasia.

All Pennsylvania voters who are concerned with the right to life and with the protection of the most vulnerable members of the human family should vote to send you to Congress, so that you can work to advance vital pro-life public policies.

Sincerely,

David N. O'Steen, Ph.D.
