RE: Letter of Recommendation
Pennsylvania State Representative Fred Keller

To whom it may concern:

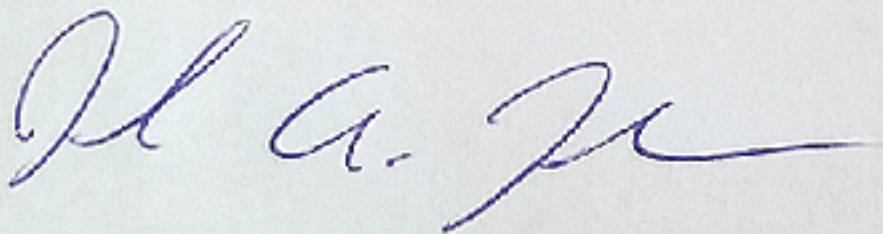

I am honored to have the opportunity to write this letter of recommendation for Pennsylvania State Representative Fred Keller.

I have known Representative Keller on both a personal and professional level for many years. He is an individual of absolute class and integrity. I have had the pleasure of observing him being a true voice of the people that he represents in the 85th legislative district. Representative Keller has always been very attentive with any concerns or questions that I would have at the county level that he could assist with at the state level. He has a proven record of being a fiscal conservative, strong supporter of the Second Amendment, supporter of law enforcement and pro-life.

One of the greatest assets that Representative Keller provides is his availability to those that he serves and represents. He not only serves our best interests in Harrisburg, but he can also be found throughout the communities that he represents. Examples of this are his support of youth 4H and FFA programs, attending county and municipality meetings, appearing at many community events such agricultural fairs, volunteer fire company fundraisers and many others.

I highly recommend Pennsylvania Representative Fred Keller for the honor of serving Pennsylvania's 12th congressional district in the United States House of Representatives. If I can be of any further assistance, please feel free to contact me. Thank you.

Sincerely
